

INFORMATION ABOUT PARENT PARTICIPATION HOURS RECORD KEEPING

Dear Parents,

This program is an integral part of our school and is designed to encourage parental involvement in the day-to-day activities of your children. We rely on talents, service, and generosity to benefit students and the school community as a whole. New requirements have been set in place for school year 2008-2009.

The PPH commitment is now 30 hours per school year, per family.

Donations will count for up to 15 hours of service. Only school sponsored functions count towards your PPH commitment. The forms to record your hours are located in the school office in a binder. In the front the binder is a copy of what is listed in the annual handbook of accepted volunteer services for your PPH's. Please see the handbook for all details concerning your PPH's. A sample of this form is located on the backside of this flyer. Hours may be earned beginning June 1st. **ALL ENTRIES NEED TO BE RECORDED IN THE PPH BOOK BY APRIL 20TH EACH YEAR.** Any uncompleted hours will be billed at \$20.00 per hour. This is the only record of your hours. Remember that it is your responsibility to keep this record up-to-date. If you have any questions, please call the school office.
