

GO GREEN...

Troop #695 –

Girls if you would like to earn the “reduce & reuse” patch. **Go Green!!**

Please describe what you are doing at home and at school to reduce & reuse. Maybe you’ve always been **GREEN** or maybe you can start **NOW**.

If you can email me describing how you are **GREEN** by **October 31**, you will receive the “reduce & reuse” patch. This patch goes along with your “observe & conserve” nut sale participation patch. (These patches have to be ordered, so any emails received after the deadline may not receive a patch.)

Remember you have to send an email - I’ve gone **GREEN**, by printing less paper.

I look forward to hearing from you.

Mrs. Otero
