

Scores indicate the grade level equivalence of St. Anthony's School based on a subject. If you follow the diagonal colors you can follow the progression of a particular class.

For example: If you look at the grey cells on the chart you can follow the 2nd grade class from 2nd - 4th grade (2006-2008).

In 2nd Grade the class was at a 2.7 GE
then in 3rd grade (2007) the class was at a 4.1 GE and finally
in fourth grade (2008) the same class was at a 5.3 GE
