Greetings from Mr. Neumeier, Principal

Yesterday we began our school year together in prayer as we do each Monday in Mary's garden. Thank you to our student leaders for being ready to go and doing a great job. The students were certainly excited to meet their new teacher, find out which desk and locker was theirs and start unpacking and using their new school supplies. Thank you parents for preparing them so well. I hope that all of our families were able to make lasting memories and the summer months brought many occasions to have fun together. The good thing is that the beginning of school does not signal the "end" of opportunities to be together as a family, so I hope that all will make sure you continue to make family time a priority.

A new school year brings an excitement that for me is often hard to describe, but I think it must be how a kindergartner feels when he contemplates his first day of school. That enthusiasm for learning and excitement is what gives me energy and stimulates me to want to provide the best for our children and foster the best possible learning conditions for our teaching staff. Every Tuesday you will receive a newsletter with lots of helpful information. Please take time to read it as well as the attached flyers. May all of our families have a wonderful school year, and may God continue to bless all of us each day.
