General Information for St Anthony's Laptop Program - 2017-2018

Approved Laptop = Dell Latitude E5480

At St. Anthony's School, we try to create the best and most age-appropriate learning environment for our students. We want to give our students the best resources for learning and the knowledge to use resources practically, thoroughly, and safely. This is why eight years ago the school made a commitment to become a one-to-one laptop school, dedicating ourselves to preparing students for a technology-driven, interconnected world.

Computers help to create dynamic classroom and out-of-classroom experiences on which St. Anthony's prides itself. We believe that laptop computers can individualize the learning process to an extraordinary degree, allowing the individual to reach his or her unique potential. Computers are integrated into the curriculum and used daily by students as a tool for research, communication, and classroom learning. Students use them in many classes on a daily basis and to complete homework assignments.

Support for _REQUESTED / SUPPORTED_ laptop:
- Full support will be given by the school if you purchase the **requested class/approved model with a factory accidental warranty**.
- **If you purchase a warranty from someone other than Dell, you will be responsible for scheduling any repairs. A loaner laptop will be provided for a maximum of 2 weeks.**

Support/Repair for NON-APPROVED laptops:
- **Windows 10 must be installed on the laptop.**
- **You are required to show proof of a 2-year warranty with accidental coverage.**
- All laptops that are **not** the approved model listed on the next page will be outsourced for support/repair. There is a *$100* fee for set-up the first year and an *$80 fee* for the second year.
- If your non-approved laptop crashes, you will have to send it in to be reconfigured. This will be another *$40-$100 fee*. If you have any problems during the year, it will be your responsibility to call for service. Elephant Boy Computers bills at $60 an hour; their number is (**559) 435-1224.**
- **Mac Setup** is $140 the 1st year and 80 the 2nd year. You must also purchase Windows 10 Home Full (not Upgrade) and have OSX 10.10 or higher already installed. **You are still required to show proof of a 2-year warranty with accidental coverage.**

You need a 250gb SSD 2.5" hard drive:
SSD Hard drive can be ordered on Amazon.com and will also be an option when you purchase your laptop on the CDW website link. Cost for the hard drive is about $110

Where can I get insurance? *(Your Dell laptop from CDW already has insurance included)(Does not include theft)*
- *St. Anthony's is NOT responsible for lost or stolen laptops.*
- Student Insurance Group at (800) 620-3307 or http://studentinsurancegroup.com. Coverage includes accidental damage, theft, natural disasters, water damage, fire, and power surge.
- Worth Have Group at (800) 620-2885 or www.worthavegroup.com.

Mandatory warranty for your laptop: *(Your Dell laptop from CDW already has insurance included)(Does not include theft)*
You must get at minimum **a 2-year parts, labor and accidental warranty** with your laptop from the manufacturer. Apple Laptops, older laptops, and non-supported laptops can be warranted through one of the companies listed above. Coverage includes accidental damage, natural disasters, water damage, and power surge.

Software:
You do not need to purchase any extra software for your laptop while you are at SAS. The school will provide licenses for all the software you need while at SAS.

Internet Filtering and General Computer Repair and Maintenance:
Elephant Boy computers can be a great resource for your home or business. They can help with any of your computer needs, including internet filtering (OpenDNS), your home internet, and/or wireless networking. They can be reached at **(559) 435-1224.**

>> *ALL DATA ON LAPTOPS WILL BE DELETED* <<

*** (*ONLY THIS MODEL IS SUPPORTED BY THE SCHOOL!!!!*)***
(If your laptop is not this model, it will be outsourced to be configured /repaired and you will be charged accordingly.)

☐ **Dell Latitude E5480**

Give your laptop some COLOR!
