

**ST. ANTHONY'S SCHOOL  
STUDENT ATHLETIC CODE OF CONDUCT**

St Anthony School values school spirit and the virtue of commitment. Students, parents and coaches should strive to uphold these values during all athletic activities. Commitment to a team effort confers numerous benefits to children, as athletes, students and faith-filled Catholics. The importance of lessons learned through a commitment to a sports team – such as self-discipline, accountability, fair play, setting and achieving goals, and allegiance to something greater than self – should not be undervalued. A student that falters in their commitment may lose the opportunity to experience the fulfillment that accompanies belonging to a team.

When a student joins a St. Anthony School athletic team, they are making a commitment to that team. As such, student athletes must make every effort to attend all games and practices, and arrive on time and ready to play. Therefore, the students must adhere to a code of conduct as described below.

**Each student planning on participating in athletics must, after reading, sign at the bottom of these rules.**

**I. ATTITUDE AND CONDUCT**

- A. You are expected to attend all practices and meetings.
- B. You are expected to be on time for practice and games, or any other team obligation or responsibility you may
- D. You are expected to call/email (coaches) if you are going to be late or miss practice or any other team related responsibility due to something unforeseen. You must request this well in advance - not five minutes before practice. Your excuse will be reviewed by the coaches.
  - Excused Absence - Illness, a family emergency, a family wedding, an academic function, or pre-arranged school co-circular activities i.e. (academic decathlon, drama, church).
  - Penalties for an unexcused absence or being late could range from: running, make-up practice, sit a game, suspension from team, dismissed from team. Unexcused absences will be under the direction of the head coach with the guidance provided by the Athletic Director. All penalties will be consistent within each individual team. Penalties at the end of a sport season may carry over to the next season of sport per review by the Athletic Director and Assistant Principal.
- E. Participation in any other sport during the season must be communicated to the coaches' and then will be discussed. Your St. Anthony's team is your in-season school sport; it is your priority commitment.
  - Any participation in organized sports outside of SAS (such as “club” or “travel” teams) while a student is also a member of a school team must be communicated to the coach at the onset of the sports season. In keeping with the values of St. Anthony School, the student athlete's first commitment should be to his or her classmates and school team.

- F. Quitting a team is not permitted. If a student quits a team, he/she will be ineligible to tryout, practice or participate in games for the next season of sport until the current season of sport is completed (this includes post-season play).
  - Tryouts: Jr. High Baseball, Golf, Soccer, Softball, and Tennis teams conduct tryouts due to the team being a combination team of 7<sup>th</sup> and 8<sup>th</sup>. This is to insure playing time for the players on roster. If you quit or are removed from a team, prior to tryouts, you will not be allowed to tryout and/or play on the teams listed above.
- G. You are expected to maintain a clean, neat, well-groomed appearance. You must be in compliance with all St. Anthony's dress code rules.
- H. You are expected to be well-behaved at all times, including good manners at all athletic contests and everywhere we go.
