

St Anthony's Summer String Program and Fall String Class

Program Overview

The Summer String program is a beginning strings camp held at St. Anthony's available to students who want to participate in the Fall after school strings program. The camp will provide instruction and instruments to students grades 4-6 and take place weekdays July 3rd to the 14th from 8am to noon culminating in a final concert on July 14th. Teachers will include members of the Fresno Philharmonic and the Tulare Symphony.

Availability

The program is available to all St Anthony's students in grades 4 through 6 and seats will be reserved on a first come, first served basis. There are only 30 seats available, 10 of which are cello, 20 for violin. Students who sign up for the camp will have priority to enter the fall strings class. To apply, turn in the attached registration form to David Sarkisian or the school office.

Tuition and fees

The summer strings program will cost \$325. A shoulder rest (for violin) and rock stop (cello) is highly recommended but will not be provided. A vendor will be on site the first day of the program to allow purchase of these items. A daily snack will be provided to the students.

Further information
